

HOW TO USE ALEXA

Don't forget to say **'Alexa'** before every question

THE TECH HELPER

Alexa,
call

To end the call, say **'Alexa, end call'**

Alexa,
play

You can ask for a radio station, your favourite singer or even type of music like jazz. To end, say **'Alexa, stop'** or **'Alexa, pause'**

Alexa, remind me to
take my medication

Alexa will ask you what time you need to take your medication, and can remind you every day

Alexa,
what's the news?

You can even ask for an update from your favourite local radio station

Alexa,
what's the weather?

You can ask Alexa the weather anywhere in the world - try **'Alexa, what's the weather in New York'**

Ask Alexa
anything

Alexa will search the internet for you and try to answer any question

Remember, you can always adjust the volume by saying **'Alexa, turn the volume up'** or **'Alexa, turn the volume down'**
